Our Holiday Party

at Virginia Doocy's will be Thursday January 3rd. There will be **NO ROTARY MEETING** that day!!

Guests This Week

included Mary Sheriff who, with our speaker Jim Broadnax have strongly have supported My Brother Table for many years.

Our Speaker

this week was Jim Broadnax who told us about his plans to help non-profit organizations including towns with school systems short of funding by utilizing internet marketing. Utilizing the internet does not change the footprint of a city or town, he said, and if done well can bring in large amounts of monies as essentially "sales commissions" for on-line sales.

Jim gave examples of the huge growth of internet- on line sales and the growth of this market world-wide. Thank you Jim !!

Our Dictionary Project

is scheduled for the 2nd Wednesday of January and PP Jim Harris will tell us more details at a future meeting.

We Met Our New Chef

Rotary International and Gates Foundation together commit \$200 million to eradicate polio !!

Dear Fellow Rotarians,

This is a historic day for Rotary. It is our great pleasure to inform you of a new partnership between Rotary International and the Bill & Melinda Gates Foundation that will provide a much needed US\$200 million in support of our top goal of a polio-free world.

The Gates Foundation has awarded The Rotary Foundation a challenge grant of \$100 million, which Rotary will match, dollar for dollar, over three years. This is the largest single grant ever given to a volunteer service organization and represents a tremendous validation of the approach and success of our PolioPlus program.

This partnership comes at a critical juncture for the polio eradication initiative, which needs an infusion of funds to reach the eradication goal. For this reason, the initial \$100 million will be distributed by The Rotary Foundation through grants to the World Health Organization and UNICEF in direct support of polio immunization activities in 2008.

Your participation in this effort is crucial to making it a success. The Rotary International Board of Directors and the Trustees of The Rotary Foundation have unanimously agreed to accept this challenge grant to ensure the success of the PolioPlus program. We feel confident that this extraordinary commitment from the Gates Foundation and Rotary will serve as a catalyst for further donations from others to help us realize the dream of a polio-free world.

In 1985, we promised every child a world free from the threat of polio, and we are almost there. This funding agreement between Rotary and the Gates Foundation is a huge step forward, bringing us even closer to our goal. Success is our only option.

Did You Miss The Luncheon?

We had a good crowd at the Porthole Tuesday prior to Thanksgiving - you missed a good time if you did not attend!

The photos include our sponsors and Rotary, Lions and banking officials and the Daily Item photo of the teams and leaders posing for the cameras!

Time To Smile

Two little old ladies were sitting on a park bench outside the local town hall where a Flower Show was in progress. One leaned over and said to the other, "Life is so darned boring; we never have any fun anymore. For \$5.00 I'd take my clothes off and streak through that stupid Flower Show!"

"You're on!" said the other old lady holding up a \$5.00 bill.

The first little old lady slowly fumbled her way out of her clothes and, completely nude, streaked (as fast as an old lady can) through the front door of the Flower Show. Waiting outside, her friend soon heard a huge commotion inside the hall followed by loud applause and shrill whistling.

The naked and smiling old lady came through the exit door surrounded by a cheering crowd.

"What happened?" asked her waiting friend.

"I won 1st Prize as Best Dried Arrangement!"

GREETERS' SCHEDULE

NEXT MEETING:

December 6 - Art Horgan & Obie Barker

December 13 - Bob Hastings & Maria Bazzi

December 20 - Jim Harris & Loretta O'Donnell

Please remember, Greeters have to BREAK DOWN also !!
