More Wonderful Student Awards by Rotary!

One Of Our Finest Programs

Front row, left to right: Samantha Gold, Breed Middle School; Jeanie Bui, Ford Middle School; Nina Colon, Marshall Middle School; Jenna Mulcahy, Sacred Heart School and Dillon Blake, St. Pius V School. Back row: Rotarian Michele Desmarais, Mason Sanethong, Pickering Middle School; Ian Grocki, St. Mary's Jr-Senior High School; and Rotarian Mark Kennard.

A Near-Capacity Crowd

with a huge buffet kept everyone happy this week as students, teachers and parents filled the Porthole for our student awards presentations.

A few of the tributes to the students revealed huge growth in their abilities over the past few years while others mentioned the youngsters' truly unselfish, helpful attitudes in school.

Thank you, committee!!

Visiting Rotarians

this week included Bruce Whear of the Rotary Club of Salem. Welcome, Bruce!

Members may remember that Bruce is one of our stalwart members of the pure water for the world campaign and has traveled to Central America more than once to set up water purification systems in the villages.

Our Pot

is growing as one student winner, Ian Grocki from St. Mary's and Gene Hastings searched for the joker without success!

President Jim smiled.

Do You Receive TIPS Weekly?

Jo Noyes told me recently that since she moved to Comcast for her Email she rarely receives the newsletter unless I specifically send it to her in an individual single Email message to her alone.

If you know of any members who have commented that they often do not receive an issue, please let me know and I will make delivery arrangements such that the person starts receiving it weekly! *TIPS* is Emailed each Thursday afternoon using Verizon and everyone should receive a copy before 5 PM.

Always remember that every week *TIPS* is ADDED to our club website so that by the next day, you should be able to also find it by clicking on our website!

<http://www.lynnrotary.org> is the address. About 2 years of issues are available this way if you want to look something up - very handy!

Keith Harris

is expected to bring some special guests for his program next Thursday - don't miss it!

Knut & Barbara

appear to get around the world a bit - this was taken in Antarctica and appeared recently in the Nahant paper and on-line newspaper, published monthly by one of our former members Donna Lee Hanlon. Hoempa means something to Nahant folks!

Team Leader Visits Marblehead

Vijay Madhira has been staying with Clara & Gene for a week during the India GSE Team's visits to sites around the north shore and soon will be moving on to Cambridge for a week, then to Danvers

and Lexington. The group photo was taken at a welcoming reception for the team at the Peabody Marriott - general chair is Ann Carlson, front, far left sitting next to our District Governor, Donna Wayman. A big adjustment has been in addition to an 11-hour time spread, the temperature shift from nearly 100F daily temperatures to 8 degrees one morning here on the north shore and the team's first snowfall !!

The team has been visiting businesses in our region, courtesy of many local professional men and women. The GSE program matches visiting teams with similar professions in the areas so that team members can learn how professionals in other countries conduct similar occupations on a world-wide basis.

Team leader Vijay is a Rotarian, the other members of the team are not, which is the standard make-up of a typical GSE program.

Next year's exchange will be with Brazil.

If you would like to learn more, sign up for the World Understanding & Peace Dinner on March 20 at the Café Escadrille in Burlington. Both our outgoing team to India and the incoming team above, will be there to greet you!

Announcing!

Motor vehicles Were in the Bible?

Quotations that prove the theory?

Jehovah drove Adam and Eve out of the Garden in a Fury.

David's Triumph was heard throughout the land.

Also, probably was a Honda, because the apostles were all in one Accord.

Sergeant-At-Arms Bob missed these golden opportunities at pun fining this week but he got everyone, nevertheless!
