Stars of Our Meeting !!

Cindy Steger-Wilson brought Audrey Thursday who was a beautiful baby, quiet and smiling throughout the day!

Maria was quick to participate and their friendship continued all through luncheon!

Our New Speakers Program Scheduling

has been implemented and our programs will be arranged by the following chairs for the time periods noted - if you can help line up some excellent programs, our chairs will be very grateful as will our fellow club members!

September - November: Ilia Stacy
December - February: Joyce Elliott
March-May - Loretta Cuffe-O'Donnell

President Mark

reminded everyone that we meet at the McGee Building Gymnasium at North Shore Community College next Thursday at 7:30 AM for our breakfast meeting following which we visit the Friendship Sloop.

My Brother's Table

signup volunteers for Wednesday August 22 5:00 to 7:30 PM include: Maria Bazzi, David Surface & Family, Virginia Doocy, Rich Cuffe, Bob Kennedy, Mark Kennard, Bob Hastings, Jerry Bovardi, Dave Richardson, Art & Janice Horgan, Kristen Colella from the Porthole and Jim Harris.

We Need A Host Family

PP Jim Harris reminded everyone that we still need one more family to act as host during periods when our incoming High School Rotary Exchange Student from France who will be attending English High School in Lynn cannot for one reason or another live with our "main" family.

She is 18 and yes, does speak English!

If you think you can help, please call Jim and let him explain the details ! !

The Kingston Trio

will be coming to Lynn City Hall Auditorium Friday October 26 to highlight a fundraiser for St. Pius so they might install a handicapped-accessible elevator.

Thanks to Loretta for the information - tickets are available through St. Pius and Loretta has more details if you wish !!

Sgt-At-Arms Bob Hastings

tried to raise some money Thursday by fining Bill Hill for having a voice that is much too melodic! Bob paid for Loretta's promotion of the Kingston Trio, Rich Brangiforte paid for being a grouse and Bob Dugas couldn't find his wallet and was still looking for it at the end of the meeting.

Obie paid for being Obie, Maria for ogling the baby, Bob Kennedy for his upcoming hot air balloon ride (he was going to stand under it and tell a story to inflate it) and Michele for attending yet another meeting after our meeting!

Your editor was fined for no errors in last week's TIPS.

What animal has 46 ribs, more than any other animal in the world? The 2-toed sloth - we all paid for not knowing the answer!

Our Big Pot

Jim Harris and Bob Kennedy both failed to get the \$123 !!

Audrey Has A Rotary Flag!

Special Ceremonies made her happy and as you can see, Maria was happy too !!

President Mark

read a lovely letter from a young man our club sent to Camp Rotary this summer. He had a great experience at camp and wanted to thank our club for sending him - his family could not afford to do so.

"We live in the present,
We dream of the future,
But we learn from the past."

Why I Am A Rotarian

In November of 2001, I took my daughter with me on a Rotary trip to deliver wheelchairs in Mexico. She was a senior in college at the time. On the way home, she told me that she couldn't wait to graduate, get a full time job, and join Rotary.

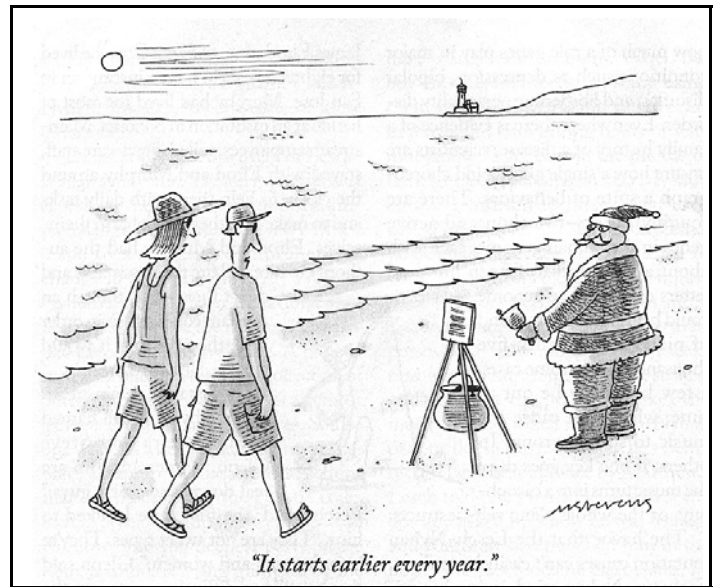

Last year, she was president of the Rotaract Club of the South Bay and this year she is the Rotaract District Governor. My second daughter accompanied me in 2004 on a Rotacare Mission to Guatemala. She came home from that trip wanting to become a doctor and is now in the process of interviewing at Medical Schools.

Rotary has not only changed my life for the better, but has changed the course of my whole family. We are a Rotary family!

I've learned in Rotary that what I give to others comes back to me tenfold. I am strengthened by each donation I make. I am heartened by each hour I volunteer. I love the fact that Rotary makes me want to be a better person.

Remind you of anyone?

A Polish man

moved to the USA and married an American girl. Although his English was far from perfect, they got along very well until one day he rushed into a lawyer's office and asked him if he could arrange a divorce for him.

The lawyer said that getting a divorce could depend on the circumstances, and asked him the following questions:

Have you any grounds? Yes, an acre and half and nice little home. No, I mean what is the foundation of this case? It made of concrete. I don't think you understand. Does either of you have a real grudge? No, we have a carport, and not need one. I mean, what are your relations like? All my relations still in Poland. Is there any infidelity in your marriage?

We have hi-fidelity stereo and good DVD player. Does your wife beat you up? No, I always up before her.

Why do you want this divorce?
She is going to kill me.

What makes you think that?
I got proof. What kind of proof?

She is going to poison me. She bought a bottle at drugstore and put on shelf in bathroom. I can read, and it says:
"Polish Remover"
