Brian Magrane

announced at our meeting Thursday that the newly-formed Camp Rotary Alumni Association presented nearly \$5,000 at a meeting at Camp during the week! The money will be in a special fund and will be used essentially for camperships to aid young boys and girls to attend Camp Rotary!!

We will publish a picture of the presentation as soon as it is received.

Their first Camper Reunion was held Saturday June 11, 2005 at camp and a few alumni flew in from the West Coast for the event!!

Our Board

met prior to the meeting and President Virginia announced that Jerry Bovardi will be inaugurated as our newest member next week!

In addition the board voted to donate funds to the community thusly: \$200 to Family & Children's Services Golf Tourney, \$200 to Cope/Lynn Arts Tourney and \$125 to the Wyoma Lions tourney.

In addition, our club finances are reproduced in TIPS this week on an inside page - if you receive TIPS via Email, always remember to read the inside page(s) !!

And one more Birthday

August is Vin Fredrickson's **40th Anniversary joining our club! Vin joined in August 1965 and became District Governor in 1986!**

Congratulations, Vin!! Please come to a meeting as soon as you feel able to do so!

And, not forgetting our most senior member as we are celebrating birthdays, it was **May 1954 that Doug Allen** joined our club! **Fifty-one years a member!**

John Connor

is beginning to get around a bit more with his new hip and may be at a meeting soon according to Bob Kennedy who saw him recently.

Great news!

Bob Hastings

was given the go-ahead to fine some of our unsuspecting members Thursday! Mark Kennard was fined \$2 for being aboard ship in Amsterdam! Hey, that trip was worth \$5 said Mark and gave the extra three. "In that case" said Bob, "Jack Ryder should pay \$5 too!" and did.

Rich Brangiforte was attempting to hide but that did not work - \$2 Rich!! Jo Ann Noyes paid \$2 but Michele Desmarais went for \$5 for being behind the scenes with the Red Sox at Fenway with her nieces and nephews as a guest of Johnny Pesky! Brian could not top that one so only paid \$2 as did Bill Simpson and Virginia Doocy. Bob Kennedy paid for Rich Cuffe who had disappeared. (See page 2)

FINES (Continued from page one)

Art Horgan paid \$4 when he admitted the bank is doing well but Jim Harris only came up with \$3 for being connected to the Wyoma Lions!

Bob's trivia question: What weight, in grams, equals one carat in measuring a diamond? Answer: One-fifth of a gram!

Our Raffle

brought Maria Bazzi and Mark Kennard to the podium to fight over the \$42.00 pot!

CAREFUL WHOM YOU HIRE!

A blonde, wanting to earn some extra money, decided to hire herself out as a "handy-woman" and started canvassing a nearby well-to-do neighborhood. She went to the front door of the first house, and asked the owner if he had any odd jobs for her to do.

Well, I guess I could use somebody to paint my porch," he said. "How much will you charge me?"

The blonde quickly responded, "How about \$50?"

The man agreed and told her that the paint and everything she would need were in the garage.

The man's wife, hearing the conversation, said to her husband, "Does she realize that our porch goes all the way around the house?"

He responded, "That's a bit cynical, isn't it?"

The wife replied. "You're right. I guess I'm starting to believe all those 'dumb blonde' jokes we've been getting by e-mail lately."

A short time later, the blonde came to the door to collect her money. You're finished already?" the husband asked.

"Yes," the blonde replied, "and I had paint left over, so I gave it two coats."

Impressed, the man reached into his pocket for the \$50.00 and handed it to her.

And by the way," the blonde added, "it's not a Porch, it's a Lexus."

Do You Remember This?

We had drives to supply the Lynn Schools with modern AV projection equipment so that they could present educational programs to entire classrooms all at one time!

This was well before the days of Power-Point and LCD projectors - they used film and recording disks and other soon-to-be abandoned technologies.

Our walk-a-thon started at the Nahant Rotary Circle and ended at the Swampscott-Lynn line.

Each year we raised several hundred dollars this way.

Should we start again with a new project?

RI approves \$250,000 for emergency polio immunizations in Indonesia

Rotary International has approved a US\$250,000 grant to the World Health Organization to fund polio immunization activities in Indonesia.

The first and second rounds of national immunization campaigns will be conducted on 30 August and 27 September to protect approximately 24.4 million children under the age of five against polio. These activities are in response to an outbreak of polio after a previously un-immunized 18-month-old child in West Java contracted the disease in April.

Genetic sequencing at a WHO reference laboratory in Mumbai, India, revealed that the child was infected with a strain of poliovirus that originated in West Africa and was similar to the viruses that caused an outbreak there in 2003. According to experts, the virus may have been carried to Indonesia by a traveler from West Africa, most likely Nigeria, who passed through Sudan. The disease has since spread to several other provinces, with a case count of 155 as of 27 July 2005.

Noting the urgent need to halt the spread of the poliovirus in Indonesia, which had been polio-free for the last 10 years, RI President Carl-Wilhelm Stenhammar said: "We must all do everything possible to stop this outbreak. No child should go unvaccinated, as the tragic and lifelong consequences of polio can be easily prevented by an effective and safe vaccine."
