Dr. Steve Yamadjako

was our guest speaker this week and told us some fascinating stories about something many of us think very little about: foot disease!

A specialized practice of medicine here in Lynn at 98 Nahant Street, 5 physicians concentrate on diseases of the feet. Our guest speaker, a native of South Africa, explained to us that a very slight foot infection, especially in an older person who might happen to also have diabetes,

can end up with a tragic loss of life!

He told us that so many people have these "little infections" when combined with diabetes for example, they might only live for 5 additional years! Mathematically, there are far more losses of life from these "seemingly unimportant" infections percentage-wise than the world-wide and far more dramatic deaths from cancer!

Dr. Yamadjako passed out a list of many types of foot problems and what can be done to alleviate them - their practice has five physicians who are very, very busy here in our city!

Thank you, Doctor, for your valuable and informative presentation.

Saturday December 10

will be our **Bell-Ringing for the Salvation Army** in front of the Christmas Tree Shop, Route One South in Lynnfield!

For those who have never done it, it is LOTS OF FUN !!

We only have two open spots left, one at noon and one at between 4 & 5 PM.

Wonderful !! **Sign up!**

Our Giant \$1,033 Pot

started today with a fresh new deck and the original idea of putting the old & sacred Joker into the new deck did not work as the COLOR of the fancy side of the cards WAS DIFFERENT !!

Can you believe this? **BOTH LUCKY TICKETS BELONGED TO OBIE BARKER!**

Breathe easily, the money is safe, at least for one more week !!

Our Finemaster

kept himself busy after not winning the pot by walking to-and-fro with the little wooden box - and hit our of our two new members, Ron Mendes for forgetting to turn in his signature sheet!

Bob then approached Obie Barker for two more dollars for getting both lucky tickets.

Tom Lynch paid \$2 out of generosity and then Art Horgan and "his cohort" Dave Richardson for all sorts of shenanigans!

Reverend Bill paid for having a wonderful smile and Gene for being a PDG !

A Camp Rotary Snapshot From Our 2011 Season!

Register for the 2012 RI Convention by 1 December and enjoy the lowest registration rates in a decade.

Rotary's 103rd convention in Bangkok, Thailand, 6-9 May, will offer attendees an unforgettable experience in the Land of a Thousand Smiles. Bangkok is a city filled with exotic temples, unique museums, and ancient attractions. The RI Convention also promises great speakers, including two individuals who have spent their lives promoting economic and community development, one of Rotary's areas of focus.

Nobel Peace Prize winner Muhammad Yunus will be a keynote speaker Monday, 7 May. Yunus is the founder of Grameen Bank, which provides small loans to entrepreneurs, particularly women, in impoverished communities.

Also speaking on 7 May will be Hugh Evans, cofounder and CEO of the Global Poverty Project, an organization dedicated to motivating people to take action to end extreme poverty. The Global Poverty Project recently added polio eradication to its list of campaigns.

A subsidy from the Thai government has helped make the low registration rates possible. Register for the Bangkok convention by 1 December and you and your spouse or partner will pay just US\$160 each to attend. Children ages 5-18 are only \$10 each. Rotaractors and Rotary Foundation alumni can attend for \$50, while Interactors and Rotary Youth Exchange students pay just \$10.

United Airlines and its Star Alliance partners are offering travel discounts to Bangkok for Rotarians. Fly economy and save as much as 15 percent, or travel business class for a 20 percent savings (some exceptions may apply).
