Giant Fundraiser Success! Mike Gemm "For Impact!"

Reach Within to Embrace Humanity
Our 2011-2012 Theme

Saturday December 10

will be our **Bell-Ringing for the Salvation Army** in front of the Christmas Tree Shop, Route One South in Lynnfield!

For those who have never done it, it is LOTS OF FUN !!

We only have two open spots left, one at noon and one at between 4 & 5 PM.

Wonderful !! **Please Sign up!**

Our Fund-Raiser Dinner

was a huge success - especially for our first attempt at such an event - I am probably not supposed to print in our newsletter too many details other than the Grand Prize Winner was a well-known Lynn Funeral Home president, Richard Parker! Congrats !!

Peg Simpson drew another winning ticket from the drum! (No, it was not Bill's.)

Here is an overview of the prize drawing dinner Wednesday evening.

Last Week's Giant Pre-Thanksgiving Dinner filled the Porthole !!

Thank You. Sponsors! Left to right, above: Adam Sherman, Brotherhood Credit Union, Maria Bazzi, Riverworks Credit Union and David Surface, St. Jean's Credit Union. Created by Lynn Lions & Rotarians !!

Clara Hastings drew a winner last night and then

Our Speaker Thursday

was introduced by Rich Cuffe - Mike Gemm founded **For Impact** after working for the Suddes Group for several years showing organizations world-wide how to succeed in raising funds for their companies and organizations.

Mike loved to act unexpectedly during his presentation - and showed us how his organization called **For Impact** was designed to get people's attention - not to bore them with a "sales pitch

as usual" and, apparently he has been quite successful at it - especially with non-profit organizations.

His background includes an MBA at Notre Dame and an AmeriCorps volunteer.

He urges groups such as ours to be positive, not negative and told us that **IMPACT** drives **INCOME!** Thank you Mike, we learned a lot !!

Corrections & Modifications:

Thank you for sending me the article about my presentation, however there are some errors that I would like to correct. First, I am a native of Ivory Coast (West Africa), second the deaths associated with diabetic foot infections are the ones that eventually lead to bilateral lower limb amputations. The 5 year survival rate in those cases is lower than in CERTAIN TYPES OF CANCER, not cancer as a whole. Yours truly, Dr Steve Yamadjako

Our Giant \$1,077 Pot

drew a lot of attention at the door - most everyone bought a \$5 roll of tickets - and our speaker drew two lucky stubs!

Mark Kennard and Joyce Elliott were set to go home with the pot!

Breathe easily, readers, the money is safe, at least for one more week !!

A Message from Bill Gates

After 20 years of hard work, Rotary and its partners are on the brink of eradicating this tenacious disease, but a strong push is needed now to root it out once and for all. It is a window of opportunity of historic proportions.

As A LYNN CLUB MEMBER your contribution will help Rotary raise \$200 million to match \$355 million in challenge grants received from the Bill & Melinda Gates Foundation. The resulting \$555 million will directly support immunization campaigns in developing countries, where polio continues to infect and paralyze children, robbing them of their futures and compounding the hardships faced by their families.

As long as polio threatens even one child anywhere in the world, children everywhere remain at risk. The stakes are that high.

Donate now to help Rotary achieve a polio-free world.

"If we all have the fortitude to see this effort through to the end, then we will eradicate polio."

- Bill Gates
