A Banker Tells All!

Reach Within to Embrace Humanity
Our 2011-2012 Theme

Bob Dugas introduced Lisa to our audience today - he was proud to do so as he "found" Lisa and convinced her to join our club - which she did in January of this year.

Lisa told us that she has been with St. Jeans Credit Union for 13 years and has thoroughly enjoyed her work representing the bank especially the extra relationships representing the bank in the community.

Lisa works hard to help in many ways - volunteering at My Brother's Table, the Lupus Walk, the Cancer Walk, reading to the youngsters at various Lynn schools and explaining what a bank does in our community to help others less fortunate.

Where does she like to vacation?
Disney World in Florida !!

Thank you Lisa !

President Steve

passed around a challenge sheet to each table - we were to decide which foods on the list many of us like to eat can actually be poisonous !

I do not have those that are the MOST dangerous (depending how they are "prepared" or "cooked") but the top 10 were:

Almonds, Apples, Castor Oil, Elderberry, Mushrooms, Pufferfish, Rhubarb and Tomatoes!

Several were "subsets" of the foods such as the seeds or the skins - but our tables were busy discussing the possibilities and since no table did better than another and did not "win" - everyone had to contribute \$2 to our club !!

Our Only Visitor This Week
was Jan Horgan, who came with her husband Arthur!

Our Giant Pot Is Growing
and is now at \$1,580 !!

The lucky ticket-holder - yes, holder, was Maria Bazzi !! Maria got BOTH tickets !! And, as last week, the money is safe for another week !!
