## Our Board Discusses Funding Ideas To Help Send Boys & Girls to Camp

### President Elaine

announced to our meeting today that many options are on the table should we decide to proceed with some early morning meetings.

Under discussion are possible locations if the Porthole Restaurant becomes unavailable for the proposed 7:30 A.M. time slot.

Other important items are ideas for some fund-raising activities to keep our programs in place such as aiding the homeless veterans of Lynn and raising money to assist economically disadvantaged families to send their youngsters to Camp Rotary for a week or two this summer.

Our current cash total to date toward donating a **Shelter Box for Haitian relief**

(cost of each box including shipping is \$1,000) is now **\$900 !!** Maria Bazzi has been keeping track of the incoming donations and we need only \$100 more to ship our first box! Wonderful!

Elaine also announced that our recent **Dictionary Distribution Project** to all the Lynn schools has won a top prize from the sponsoring organization and Chair Jim Harris has been asked to send them some photos from the event plus some of the thank-you letters received from the 3rd graders.

### Our \$170 Raffle Pot

is growing and Thursday was attacked (politely, of course!) by Art Horgan and Rick Brangiforte. The money is safe.

### Doug Allen Home

Good news! Doug Allen is home from the hospital and is recovering nicely from his recent back surgery.

### Barbara & Bob Help Shelter Box for Haiti

Barbara Maitland and Bob Dugas, are shown at the Liberty Tree Mall, Sat. Feb. 6, soliciting contributions for the SHELTER BOX to give aid to the residents of Haiti.

Bob said: "We cooperated with the Marblehead Harbor and Danvers clubs both of whom had members present while we were there.

Although the contributions were slow in coming, it was good cooperation among the clubs participating.

It was Rotary at its best!"

### Quote of the Month

(From RLI, the Rotary Leadership Institute)

Referring to his theme for 2010-11, President-Elect Ray Klingensmith told the International Assembly: "it is important to remember that Rotary is a "spirit of service" as well as an organization of Rotary clubs, and that we need to share our core values of service, fellowship, diversity, integrity, and leadership with other people and organizations. So what are the magical words that can capture the essence of Rotary?"

The words that I have selected to describe Rotary's current mission and to highlight our achievements are what we do best: Building Communities-Bridging Continents."

## Lynn Rotarians Missed Some Great Presentations!

Approximately 260 Rotarians and guests filled the Danversport Yacht Club Tuesday evening to witness the World Understanding and Peace Event

The featured speaker was Ainash Alperssova who came to the United States in 2002 as a Rotary Ambassadorial Scholar and attended Harvard Law and obtained her MLM degree. She eventually joined the Rotary Club of Boston and in time moved back to Kazakhstan to help open a field office for Ernst & Young. She is currently back in the states studying to take her license exam.

The overall theme during the evening was respecting other peoples, getting to know them, and living in peace and harmony worldwide.
