**11:30 A.M.**

# SPIN

*Serving People In Need*

Our 2010-2011 Theme

Serving People In Need, Inc. recently celebrated the first anniversary of the United Way Financial Stability Center at 270 Union Street, Lynn. The agency has been transformed into one that is dedicated to assisting hard working families get on the path to financial independence.

**J U N E**  
**B L A I R**  
was our speaker this week. She is the Financial Stability Coordinator and told us some wonderful aspects of

the SPIN organization.

SPIN has used innovation as the catalyst to deliver services by leveraging cutting edge collaboration techniques that incorporate the unique talents of the SPIN staff. Each and every staff member is encouraged to implement their innovative ideas to help SPIN develop new programming, business opportunities and community events that improve the quality of life for all of Lynn's residents.

People who have never previously needed help have found SPIN a remarkable source of assistance June told us. Money to help finish a youngster's college registration? Financial help to someone who has just lost their home? Finding a doctor or practitioner to assist an ailing family member?

"Getting the Word Out" has been a big part of helping SPIN grow. They have even a donated piano, painted attractively, ON WHEELS that is taken to street corners to announce their services to people!

United Way heard about SPIN and has given them great encouragement and powerful funding so SPIN can grow and help those needing assistance.

SPIN's website is:  
[www.spinlynn.org/index.html](http://www.spinlynn.org/index.html)

**Thank you, June !**

## Our Next Meeting Will NOT Be At The Porthole!

The details have been worked out by Steve Upton's committee and will be at the **Lynn Vocational Technical High School**, 80 Neptune Blvd directly off Commercial Street (off the Lynn-way). Steve reminds us that there is a parking lot behind the school and we can use it until it fills up!

For those of us who have worked at the handicapped children's event each year, note that it is **ACROSS THE STREET** from the Tech High Gym buildings.

## Bob Dugas

wandered about with the fine box and got some happy money as well as Jim Harris' birthday donation! That got Bill Simpson to lead us in song wishing Jim a happy birthday.

## President Elaine

presented June a club mug and then asked her to draw the lucky tickets for our pot!

## Our Pot Is Now \$580 !

Two lucky tickets were captured, one by Rich Cuffe and the other by Gene Hastings. Both failed to win the jackpot. There are 15 cards left!!

## Constitution Acceptance Vote

Elaine called for a vote and got a nearly unanimous acceptance for the club's updated constitution.

**Elaine** took a count for next week's anticipated attendance at our Lynn Vocational school meeting. Nearly everyone indicated they were planning to come.

# HAPPY BIRTHDAY!

Our March birthdays are Jim Harris and Bob Risch. Time for you to mail your contribution from Florida, Rich !! They have NOT finished the Nahant roadway construction yet.

## Pearlman Concert !!

Violin virtuoso and polio survivor Itzhak Perlman joined members of the Chicago Symphony Orchestra for a Concert to End Polio on the 7th of March, conducted by polio survivor James DePreist.

The famous and the non-famous world-wide have joined Rotary's programs to help eliminate Polio from our world - thanks to Rotary and Rotarians.

Have you made YOUR contribution yet?

**2011 – Hold the Dates!!**  
**August 23 – 27, 2011**  
**Park Plaza Hotel, Boston**
