Green Living: "It Can Be Safer and Effective, Too!"

Iris Weaver

A spiritual herbalist was our guest speaker this morning telling us about the meaning of "Green Living" and why it can be important. Iris teaches

classes and in addition grows her own herbs in her many gardens. She told us she is passionate about our environment and told us what we can do to take care of it.

Thousands of chemicals are marketed every day that we are urged to purchase and utilize - but what might be their long-term overall effect? They can impact our environment as well as affect our bodies she said. One item she has been utilizing for cleaning around her home is baking soda. She pointed out the many different features of this easily obtainable product and its minimal effects on the person and the environment. She often uses white vinegar for cleaning and has found it to be very effective and easily available, too.

Our Very Tan President

has returned from her vacation with a big smile. Her cruise ship even approached the tip of the Panama Canal. When asked what she did I got the reply: "What was done aboard ship, stays aboard ship!" Above, Elaine presented our speaker with a souvenir Lynn Rotary Mug!

Our Pot Is Growing

and Bob Kennedy and Art Horgan attempted to find the joker and possibly \$300 or so but failed in the attempt!

From Jim Harris

and David Solimine: Thank you, Thank You, Thank You to everyone who sold & purchased tickets. We raised: \$26,420.

Fr. Gabriel Lormeus of St. Mary's Church in Lynn, a native of Haiti, drew the winning tickets after the Haitian Mass on Sunday, March 28 at 3:30pm

Diane Parks of Saugus (ticket #4062 sold by Kristen Steriti)
