## Our Club Scholarships Presented!

**Rich Cuffe**, chair of our 3 memorial scholarships, (on the right) presented the winners their awards Thursday. Left to right: **Rachel Faieta**, from Saint Mary's High School will be attending Boston University where she intends to major in pre-med biology. While at St. Mary's she was a member of the varsity basketball team, captain of the varsity Volleyball team, Varsity Track and Field team and Rachel's Challenge among other things!

All winners are in the top 10% of their classes. Standing next to Rachel is **Cynthia Ouelett**, Lynn Classical graduate who will be attending Suffolk University where she intends to major in criminal justice. While at Classical Cynthia was the only girl on the otherwise all male lacrosse team! She also is a member of the National Honor Society, the Summit Club and other community service organizations.

**Alexander Fumez**, attended Lynn English High and will be attending Union College in Schenectady, NY where he will be majoring in engineering. While at English Alex was captain of the cross-country team, the indoor track team, the public relations officer for the class of 2011, a mathematics tutor. In the eighth grade Alexander was a winner in Lynn Rotary's Middle School recognitions program!

**Mike Butler** was our featured speaker today and was introduced by Dave Richardson.

Mike has been fascinated by hand-tub firefighting history and has been active in all the regional competitions!

their various towns to see who could get a stream of water higher or farther than "the other guys".

Mike showed us some wonderful pictures of various units and then gave the upcoming schedules of some local hand tub competitions in our areas! Make some notes, they are fun to attend - your editor used to take his 3 when they were young and the kids loved the excitement.

is slowly growing and has reached \$255! Holders of the lucky tickets were Adam Sherman and Bob Dugas. No cash escaped this week, either!

### \$3,000 To Our Club!

The J. Fergus Gifford fund, established by our club members to help the poor back when Lynn was a giant shoe-manufacturing city and there was no such thing as "Social Security" to assist families, has been maintained these many years and as bond interest investments mature, it is still helping others, still through the Rotary Club of Lynn!

Bob Kennedy, left, president and Arthur Horgan, right, treasurer, presented club president Elaine a check for \$3,000 to help with our club charities at our meeting today. Thanks, everyone, for your efforts to help those less fortunate.

Incoming General Secretary of  
Rotary International  
John Hewko  
Outlines his Priorities

Hewko said his top priorities include “better connecting Rotarians with the Secretariat, increasing awareness as to what the Secretariat can offer, and making sure the Secretariat is an effective, efficient, and useful resource for clubs, so that clubs are able to grow and carry out the mission of Rotary.”

Hewko, who will take office 1 July, said the future of Rotary is bright.

“We will rid the world of the terrible scourge of polio -- we will rid the world of this terrible disease -- and then we will be bold and aggressive and identify and conquer the next big global challenge,” he said. “We will redouble our public relations efforts to enhance our brand and image so that the world better appreciates and understands the great works of Rotary and the value of connecting through fellowship.”
