Steve Upton & Team Installed !

Steve & his family came from many locations to share in the event !!

On the left, one of our LYNN RYLA participants with Obie, our RYLA chair. Rosmery Hernandez told us of her life, her many frustrations and her ambitions to succeed in her future! She has signed up as a student leader position in next year's RYLA at Camp Rotary!! Wonderful! *Thank you, Rosmery.*

Our new 2012 District Governor, "Swami" Doraiswami was installed last evening at the Danversport Yacht Club.

Club Presidents' Installation at the Danversport !

Elaine Receives A Special Plaque !!

In appreciation for her efforts for being our president FOR TWO FULL YEARS, our board presented Elaine with this special Rotary plaque that will, as you can see, hold her personally-engraved mallet that she has used to strike the bell !! Thank you, Elaine!

Snapshot of Governor Swami and his family at their dinner table! Everyone really enjoyed meeting the Governor and his family and many friends last evening at the event.

Other Club Reports:

Bob Kennedy reported about our successful Shoe & Stocking Fund - full history is on our club website.

Rich Cuffe told of our progress at Camp Rotary with the new handicapped access regs.

And Bob Dugas and Obie Barker struggled to win the **\$289 pot** - but the money is safe until next week!

Bob Dugas collected some fine money, that made everyone happy!

Enjoying Dinner! Snapshot last evening of several Rotarians and guests eating dinner prior to the start of the ceremonies installing the 2012 officers and committees!

A special event was the presentation to PDG Victor Saldanha of the Service Above Self Award as authorized by the Board of Directors of Rotary International!

Only approximately 100 such presentations are authorized WORLDWIDE each year to a Rotarian who has exemplified personal dedication to Rotary and its goals of Service Above Self. Congratulations, Victor!
