## Our Special Club Assembly!

Our 2011-2012 Theme

### Tom Lynch Rejoins Lynn Rotary!

One of the first items on our Club Assembly Thursday was Tom's official membership induction by secretary Joyce Elliott and President Steve Upton! Tom, pictured above on the left, received his new membership information and a nice, new certificate for his office wall! Welcome, Tom!

### President Steve

began the Assembly by reviewing his thoughts on what our club needs to build on its positive reputation over the years. Founded in 1918, we were the 360th Rotary Club formed worldwide!

As our new president, Steve wants to build on our strong history and go forth this year with positive ideas that will help us to add good members and serve Rotary and our community in the best ways we possibly can.

Steve passed out a survey for everyone to fill out, which we did and we turned them in, unsigned, to give Steve some thoughts on what opinions we have of Rotary, of our club, and perhaps some suggestions for our future.

Any ideas, anyone has about our club, our membership and its possible growth and in what direction, Steve would love to have them from you!

Rotary throughout the world is changing and we must change too as we continue to serve others and volunteer our services as a service club.

President Steve reminded us that next week's meeting will be at 5:45 PM at Fraser Field for the Navigators' game with the Newport Gulls.

We meet at the clubhouse entrance at 365 Western Avenue. We have space reserved for 20 people so please be on time for the opening ceremonies! Bring a guest - a bargain at only \$15 !!

Free parking available.
